

Dear Accounting Student:

The American Society of Women Accountants was organized by the American Women's Society of CPA's to further the advancement of women in accounting. The organization has several membership categories and admits members who are accounting students, bookkeepers, CPA's, and anyone else interested in the field of accounting as a career. Each year the Santa Barbara Chapter awards scholarships to students pursuing a major course in accounting and attending a college, university or professional school in Santa Barbara County. Individual scholarships have ranged from \$500 to \$2,000.

The Santa Barbara Chapter of the American Society of Women Accountants is currently accepting applications for 2011 Scholarships. The criteria are as follows:

1. Santa Barbara residents and persons attending colleges, universities or professional schools of accounting in Santa Barbara County and pursuing a major course in accounting.
2. Applicants must have taken at least basic courses of accounting to show aptitude and intention to pursue an accounting career.
3. Applicants are given consideration based on academic achievement and/or financial need.

We are nondiscriminatory (male applicants are welcome).

Applications must be signed by an accounting instructor (school sponsor), and include an unofficial transcript or grade report, and a resume. We encourage, but do not require, letters of recommendation and a cover letter describing needs and ambitions.

Applications must be postmarked by Monday, October 10, 2011 and mailed to the address on the bottom of the form. Interviews will be arranged, by invitation only, after the Scholarship Committee has reviewed the applications. The evenings of **Tuesday, October 18, Wednesday, October 19, and Thursday, October 20, 2011** have been tentatively scheduled for these interviews, although we will make every effort to accommodate special circumstances for interviewees unable to appear on those dates. Scholarships will be awarded at ASWA's Annual Student Night to be held on **Monday, November 7, 2011**. All winners will be invited to attend this awards dinner as guests of ASWA.

Additionally, from our final pool of scholarship recipients, the Scholarship Committee will consider submitting one applicant of exceptional merit for National ASWA Ed Foundation Scholarship consideration.

We look forward to receiving your application.
